#### **INSTRUCTIONS TO DESIGNATED SCHOOL OFFICIALS**

**1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact or using any false document in the submission of this form.** Designated school officials should consult regulations pertaining to the issuance of Form I-20 A-B at 8 CFR 214.3(k) before completing this form. Failure to comply with these regulations may result in the withdrawal of the school approval for attendance by foreign students by the Immigration and Naturalization Service (8 CFR 214.4).

**2. ISSUANCE OF FORM I-20 A-B.** Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out-of-status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

**When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.**

**3. ENDORSEMENT OF PAGE 3 FOR REENTRY.** Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

**4. REPORTING REQUIREMENT.** Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

**The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.**

**5. CERTIFICATION.** Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

**6. ADMISSION RECORDS.** Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

#### **INSTRUCTIONS TO STUDENTS**

**1. Student Certification.** You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. **The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.**

**2. ADMISSION.** A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

**3. SCHOOL.** For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

**4. REENTRY.** A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

**5. TRANSFER.** A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

**6. EXTENSION OF STAY.** If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

**7. EMPLOYMENT.** As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

**8. Notice of Address.** If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

**9. Arrival/Departure.** When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

**10. Financial Support.** You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States while pursuing a full course of study. You are required to attach documentary evidence of means of support.

**11. Authorization to Release Information by School.** To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

**12. Penalty.** To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

**AUTHORITY FOR COLLECTING.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. **REPORTING BURDEN.** Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection or information. Send comments regarding this burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Justice, Immigration and Naturalization Service (Room 2011), Washington, D.C. 20536; and to the Office of Management and Budget, Paperwork Reduction Project, OMB No. 1653-0038, Washington, D.C. 20503.

#### INSTRUCTIONS TO DESIGNATED SCHOOL OFFICIALS

1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact or using any false document in the submission of this form. Designated school officials should consult regulations pertaining to the issuance of Form I-20 A-B at 8 CFR 214.3(k) before completing this form. Failure to comply with these regulations may result in the withdrawal of the school approval for attendance by foreign students by the Immigration and Naturalization Service (8 CFR 214.4).

2. ISSUANCE OF FORM I-20 A-B. Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out of status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.

3. ENDORSEMENT OF PAGE 3 FOR REENTRY. Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

4. REPORTING REQUIREMENT. Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.

5. CERTIFICATION. Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

6. ADMISSION RECORDS. Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

#### INSTRUCTIONS TO STUDENTS

1. Student Certification. You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

2. ADMISSION. A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

3. SCHOOL. For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

4. REENTRY. A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

5. TRANSFER. A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

6. EXTENSION OF STAY. If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

7. EMPLOYMENT. As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

8. Notice of Address. If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

9. Arrival/Departure. When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

10. Financial Support. You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States while pursuing a full course of study. You are required to attach documentary evidence of means of support.

11. Authorization to Release Information by School. To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

12. Penalty. To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

ISSUANCE OF FORM I-20 A-B.** Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out of status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

**When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.**

**3. ENDORSEMENT OF PAGE 3 FOR REENTRY.** Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

**4. REPORTING REQUIREMENT.** Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

**The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.**

**5. CERTIFICATION.** Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

**6. ADMISSION RECORDS.** Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

#### **INSTRUCTIONS TO STUDENTS**

**1. Student Certification.** You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. **The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.**

**2. ADMISSION.** A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

**3. SCHOOL.** For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

**4. REENTRY.** A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

**5. TRANSFER.** A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

**6. EXTENSION OF STAY.** If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

**7. EMPLOYMENT.** As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

**8. Notice of Address.** If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

**9. Arrival/Departure.** When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

**10. Financial Support.** You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States while pursuing a full course of study. You are required to attach documentary evidence of means of support.

**11. Authorization to Release Information by School.** To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

**12. Penalty.** To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

**AUTHORITY FOR COLLECTING.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The information solicited will be used by the Department of State and the Immigration and Naturalization Service to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection or information. Send comments regarding this burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Justice, Immigration and Naturalization Service (Room 2011), Washington, D.C. 20536; and to the Office of Management and Budget, Paperwork Reduction Project, OMB No. 1653-0038, Washington, D.C. 20503.

### INSTRUCTIONS TO STUDENTS

---

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** The Department of Homeland Security (DHS) requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

---

### INSTRUCTIONS TO SCHOOLS

---

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** The Department of Homeland Security (DHS) may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and The Department of Homeland Security use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

## INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

## INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.
